

Smoke Signals from the Big Chief

This year has been a fun and exciting time to be a 4-H All Star. In June, we had one of the most beautiful tapping ceremonies I have ever seen. Many thanks are due to countless All Stars, Extension staff, and volunteers who braved the heat to take part in the ceremony. I look forward to getting to know those of you who were tapped this summer. I would like to extend a great big welcome to our new All Stars!!!

As we enter this season where red and green mean more than just a star and a clover, consider giving the gift of lifetime membership to a recently-tapped All Star. As you know, lifetime dues were raised to \$60 on January 1st and go up to \$75 in 2015. Lifetime membership means more when you are actively participating, so reach out to mentor our new All Stars by bringing them to conferences, reminding them about our scholarships and giving them leadership roles. The easiest way to involve them is at the unit level and I encourage all units to form chartered All Star chapters. If you are meeting yearly to review All Star nomination applications, you are halfway there!

We had a great Summer Conference in Staunton thanks to many people, especially Rory and Carol Nansel!! Many of us traveled to Interstate Conference on Maryland's Eastern Shore the very next weekend! I have learned more about this region's geography, history, economy, and culture through traveling to 4-H All Star events than all my other experiences combined.

I am looking forward to Midwinter Conference in Farmville, which will offer a unique look at recent history. During the conference, we will visit the Robert Russa Moton Museum, a former high school that became a significant part of the civil rights movement. We will also continue our on-going service project as detailed in the conference information in this newsletter.

We continue to advocate for Virginia Cooperative Extension whenever we can. Many 4-H clubs have been affected by the recent 4-H financial transition. One of my goals for 2013 is to re-focus our service project toward local 4-H units and clubs in the vicinity of our conferences. With continuing in service, please contact your local 4-H agents to find out how you can help (including learning what kinds of donations they cannot accept). This is one of the many ways we can live our motto of "Service"! When you are volunteering in service to 4-H, let them know that you are an All Star.

Yours in service,
 Michelle Cock

Smoke Signals from our Districts

Eastern District South All Stars held their fall meeting on Saturday, October 6, 2012 at the Surry County Extension Office. New officers were elected. Jean Powers was elected District Big Chief, Elizabeth Onger, Lesser Chief, Heather Newton, Recording Scribe, Shirley Brown and Mindy Robertson were elected as Co-Treasurers. We reviewed our Bylaws and Constitution and voted to approve. We discussed the plans for the upcoming Midwinter Conference in Farmville and our District responsibility for devotions at Sunday morning Vespers. We have started preliminary planning for hosting Summer Conference 2014, perhaps in the Smithfield area. After our meeting, we enjoyed a tour of Bacon's Castle and gardens in Surry, VA. Eastern District -South, Rose Talbott

Northern District All Stars will meet Tuesday, December 11 at 9:30 am in Pepper's Grill in the Culpeper Best Western motel to review membership forms. Interested All Stars are invited. We would like to have a least one representative from each unit submitting applications. A recognition picnic for 2012 Northern District All Stars was held August 12th at Graves Mt. Lodge in Syria. We had 27 All Stars and 18 guests for a total of 45 in attendance. This included two 2012 All Stars. Six counties were represented. During introductions it was discovered that we had one or more All Stars representing each decade from the '40's to the present for a total of 13 decades Our silent auction once again netted the District Treasury over \$400. That money is used to support district activities. Chapter activities include scholarships to members who attended conferences for the first time; scholarships to 4-H'ers who participated in the public speaking contest at state; t-shirts; cost of picnic meal for new All Stars, supplies and postage. Northern District - East Chief, William Thomas

Officers elected to serve for 2012 - 2013 are as follows:

Table with 4 columns: Position, Name, County, Year. Rows include Chief (William Thomas, Culpeper, 1976), Lesser Chief (Judy Ann Fray, Madison, 1997), Scribe (Kayla Eppard, Greene, 2007), and Treasurer (Roger Suder, Culpeper, 1964).

The Southwest District All Stars will meet on Monday, December 17th at the Smyth County Extension Office. The meeting will start at 6:00 PM. We will be reviewing All Star Nomination Forms and will be discussing ways to get a more active District Chapter of All Stars going. Please contact Daniel Collins in the Smyth County 4-H office for more information and directions at 276-783-5175 or collindp@vt.edu.

2012 Interstate Conference Report

Virginia was well represented with 12 at the All Star: "4 Shore Good Time" at Easton, MD on July 26-29, 2012. The tours were excellent including the Wye Research and Education Center in Queenstown, MD. The center has some great looking soybeans and a crazy looking crop of corn. In 1979, Mr. Houghton gifted the University with the famous Wye Angus heard of Black Angus cattle. The Wye Angus auction is held each April. The group also toured the Wye Grist Mill and Museum, as well as the Wye Episcopal church that was founded in 1694. On Saturday, the group attended the Chesapeake Folk Festival and Chesapeake Bay Maritime Museum located in St. Michaels, MD. At Saturday's banquet, we honored Dr. Richard (Dick) Angus with a tribute of his 4-H Extension career and the many lives that he touched with his 60+ years in agriculture education. The auction benefited the Thendora 4-H Center in Hurlock, MD. The 2012 Interstate Exchange was a great time and the best part was getting to see all the other 4-H All Stars! The 2013 All Star Interstate Conference will be held August 1-4 in West Virginia. More details will be announced later!

2013 Midwinter Conference—Saturday Afternoon Tours

High Bridge Trail State Park

- The trail was once a rail bed and is now a multi-use trail ideally suited for hiking, bicycling and horseback riding. It is an easy trail for people of all ages and abilities to enjoy. Its centerpiece is the majestic High Bridge, which is more than 2,400 feet long and 125 feet above the Appomattox River. The original bridge was built in 1853 as part of the South Side Railroad. The current steel-tower bridge was completed in 1914. High Bridge is the longest recreational bridge in Virginia and one of the longest in the United States.

Moton Museum

- The Robert Russa Moton Museum, a National Historic Landmark, is located in the old Moton High School. It honors the brave young women and men who challenged the leaders of Prince Edward County to give them equal educational opportunities. The museum features eyewitness accounts and exhibits that document the struggle to end racial segregation in education.

Longwood Center for the Visual Arts

- The Center showcases art of regional, national, and international note. The award-winning exhibitions are expertly designed and thoughtfully presented, ever changing and always surprising. Inspiring everyone to enjoy art in everyday life is the LCVA's core value.

Please contact Pamela Levinson at 434-385-7907 or shlevinson@aol.com if you have questions regarding these tour sites or 2013 Midwinter Conference!
