

ENTRY FORM WORKSHEET and SUMMARY SHEET

All of your entries MUST be submitted at <http://vastatehorseshow.fairentry.com/>. Use this worksheet and the Summary Sheet to highlight your classes as a tool for your class selection and then use this to find your classes when entering the FairEntry system. Use one sheet per horse. Do NOT turn this in with the Orientation Report. Share the worksheet and Summary Sheet with your Club Leader to review before entering the FairEntry System to confirm you have selected the right classes. You will provide your club leader's email in FairEntry and they will receive a confirmation of your entries, however these are not automatically generated and show management will send as soon as possible after the entry has been approved.
