

2010 LEG UP AWARD WINNER

MacKenzie Bise – Smyth County

The winner of this year's Leg Up Award is truly an inspiration to us all. This 4-Her exhibits a maturity for beyond her years. She is a Club President, organizer of clinics, active in community service projects, and ever willing to share her knowledge and experiences with her peers.

The Leg Up Award recipient has had to overcome great difficulties in her life. However, she expects no sympathy, no special allowances, and makes no excuses for her struggles or setbacks. Any of you here participating as an exhibitor would probably never be able to pick out this young lady in the crowd. Her confidence, exuberance, and strength has become an inspiration to all those who know and love her.

Ladies and gentlemen, friends and family, this year's winner of the Leg Up Award from Smyth County is Mackenzie Bise.
