Virginia 4-H Shotgun Championship

The Virginia 4-H Shooting Education Council would like to invite you to be a station sponsor for the 2016 Virginia 4-H Shotgun Championship. This event will take place at Conservation Park in Charles City, Virginia on Saturday, September 24th. Each station sponsor will have an attractive sign placed at a shooting station and each sponsor will have their name printed in a flyer that every participant receives at registration.

This will be the ninth annual Virginia 4-H Shotgun Championship and the event will bring together the top 4-H shotgun shooters from across the state in a 200 target format that includes the major shotgun disciplines. The money raised from sponsorships will be used to support this event and to support a Virginia Development team that may attend the 2017 National 4-H Championships. Donated funds will be used to defray the cost of practice, registration fees, and travel expenses for the youth who make this team.

The youth that participate in the 4-H shooting programs across the state have fun learning and competing. At the same time, certified instructors and leaders teach life skills including self-confidence, personal discipline, responsibility, teamwork, self-esteem and sportsmanship. Our goal is to have these attributes carry over into the youths' daily lives. The program also promotes the safe and ethical use of firearms. It is our belief that firearm education reduces gun accidents.

For more information, please contact one of the following 4-H volunteers:

Jaye Pearce 434-248-6151

R.L Harris Home 434-352-2467 Cell 434-660-5020

To serve as a sponsor this year, please contact one of the above listed volunteer leaders or fill out the enclosed form and return it to:

Sharon Harris
2638 North Creek Road
Appomattox, VA 24522

Thank you for supporting the 4-H youth of Virginia!
