December, 2016

Dear Exhibitor:

We were very pleased to have you as an exhibitor at the 2016 State Fair of Virginia Youth Livestock Show. Thanks to all of the exhibitors, families and volunteers that helped make the show a success.

As you all know this year marked the second year for the return of the Sale of Champions. The sale was very successful again this year and we saw substantial growth in the youth livestock programs and sale support. Scholarship applications are currently posted on the State Fair of Virginia website and we will be accepting applications until January 13, 2017. The scholarships will be awarded by age groups, in accordance with 2016 State Fair Youth Livestock Show eligibility, as follows:
