Smoke Signals from the Big Chief's Tepee

Thank you for electing me as your new Big Chief for the next year. I appreciate the confidence you have bestowed on me and I will try my very best to uphold that.

I am looking forward to being your Big Chief. I have not held an office in the State 4-H All Star organization. I have been active in my unit (Frederick County) where I serve as Treasurer, in the District (Northwest District), where I serve as scribe, in the State 4-H Volunteer Leaders Association where I have been President-Elect, President, and at the end of this year, I will be ending 4 years as Secretary for the State Organization.

I look forward to working with the executive committee during year and meeting more and more of the 4-H All Stars in the state. Many of you I already know from my many years in 4-H. We will try and make this a wonderful All Star Year.

2005 4-H ALL STAR INTERSTATE REPORT

4-H All Star Interstate was hosted this year by the All Stars of West Virginia in Martinsburg W.Va. Thursday started with a wonderful meal and then a trolley ride to the Cogle Museum. This museum is a hidden treasure which many do not know about in Martinsburg. Friday was a very busy day spent in Harpers Ferry, W. V. lunch at the famous Bavarian Inn and time to spend time in Shepherstown, W. Va. On the way back to Martinsburg, we stopped at the Martinsburg Roundhouse, which is going to be restored to a museum. Dinner was at the newly restored Dunn Building where the Berkeley County Extension Office is now housed. Saturday morning found us on our way to Camp Frame 4-H Camp—where three counties own and use for their summer 4-H Camp. After a delicious brunch and a tour of the camp, the bus left for Berkeley Springs. The afternoon was spent at the Famous Springs, antique shops, or just sitting in the beautiful park in the center of town. Saturday evening was a Steak Fry Dinner at the Butler Farms in Arden, W. VA. The annual auction was held and all the proceeds went to Camp Frame. On Sunday morning a breakfast was hosted by the Horners of Arden, W.Va. Goodbyes were said until next year. The conference next year will be hosted in Starksville, Mississippi at Mississippi State University on August 10 – 13, 2006. The 2007 Conference is in Virginia and will be held somewhere around Williamsburg, etc.

See the information for next year's conference in this newsletter.

Virginia All Stars attending were: Jean Powers, Sarah Gregory, Shawnda Gregory, Sherry Jenkins, Ruth Snapp, Margaret Douglas, Nancy Pence, Mary Ball Massie, Pat Chawkat, and Carol Boyer.

Received by Selicia Gregory

Hello Selicia and members of the VA Chapter of 4-H All Stars,

Let me start by saying thank you for sending the box filled with goodies. On a deployment, a person receiving a box always makes new friends :-). Just in case you are wondering where you sent this box, it's a little country called Qatar. It's located right on the coast of the Persian Gulf. Qatar is not a very big country and the people here are very nice. I work long hours, but it's okay because I'm contributing to people's freedom. Thanks again for thinking about me. Please continue to keep all of us over here in your prayers. Take Care!
Brenda Thompson, former 4-H member

Beverly (Shenandoah '03) Sine and husband, Nelson recently received quality producer awards given by Maryland & Virginia Milk Producers Cooperative on Oct. 18. They earned the honor by consistently achieving specific milk quality standards from August 2004 to July 2005.

DISCOVER THE WORLD WITH 4-H

Have you ever dreamed of travel and adventure? You can discover the world by participating in the International Four-H Youth Exchange program. One of the following opportunities may be just right for you or your family to broaden your horizons:

IFYE Representative: Participants between the ages of 19-30 can experience life in another country first-hand by living with host families from 3 to 6 months. This is not the typical tourist's eye view of a foreign land, but a chance to participate in daily living and learn about the customs and culture of another country while sharing about your life in the United States.

IFYE Ambassador: For youth between the ages of 15-24, this program features a summer abroad. The purpose of the program is to assist youth in acquiring knowledge, developing skills and forming attitudes that will help them become productive citizens of the global community.

Countries participating in the above two exchanges may include, Australia, Austria, Belgium, Botswana, Costa Rica, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, India, Jamaica, Latvia, Lithuania, Luxembourg, the Netherlands, Norway, Paraguay, Poland, Portugal, Sweden, Switzerland, Taiwan and the United Kingdom.

Japanese Exchange: Youth between the ages of 13-18 will spend a month in Japan, departing Virginia in mid-July. Besides living with a host family, they will attend a week of camp and visit places of interest in the area where their host families live. An additional two-week extension to attend the Nihongo (Japanese) Institute for in-depth language and culture study is also available.

Hosting: Unable to travel at this time or past the age range? Then you can still participate by letting the world come to you. Host families are needed for periods of two to four weeks. Host families receive advance info on the delegate. This is a great chance to experience another culture without leaving home. Both urban and rural families are needed. Why not welcome an international visitor into your home in 2006?

High School Exchange: There is also a high exchange for hosting delegates for the school year from Japan and former Soviet republics such as Azerbaijan, Estonia, Latvia, Lithuania, Moldova, Russia, Kazakhstan, Turkmenistan, Ukraine, etc.

The deadline to apply as an outbound Representative or Ambassador is January 15 and for Japan is February 15. Host family applications are due by April 1. For more information, contact your unit Cooperative Extension Office or State Coordinator Dottie Nelson, P.O. Box 144, Bland, VA 24315, work 800-752-0673 or home 276-688-4028, or email dottieifye@yahoo.com.

4-H ALL STARS AT CAMP.....S'MORE THAN FUN!

JULY 16-17, 2005

NORTHERN VIRGINIA 4-H EDUCATIONAL CENTER,
FRONT ROYAL

Fifty-one 4-H All Stars, representing all six districts, came together at the Northern Virginia 4-H Educational Center in Front Royal for Summer Conference 2005. The conference began Saturday, July 16 with local tours. The Smithsonian Conservation and Research Center tour highlighted maned wolves, red pandas, Mongolian wild horses, clouded leopards, cranes and exotic deer. Another group of All Stars toured Skyline Caverns which is one of the only places in the world that features a unique formation known as Anthodites, “orchids of the mineral kingdom”.

Then we headed to Front Royal for our casual banquet - good Italian cuisine at Villa Giuseppe – an IFYE presentation from Austria, and a business meeting, before we went back to the 4-H Center for campfire activities and s’mores. Congratulations to Randy Leech (Rockbridge ’72) for receiving the 2005 All Star Hall of Fame award during the banquet!

Sunday began with a traditional Vespers service, conducted by the Shenandoah County 4-H All Stars at the Alan Boyer Memorial Alter, overlooking Lake Culpeper. All Stars then attended two camp classes: riflery, basketry, bead crafts, or rocketry. The conference concluded with lunch at the 4-H Center.

Special thanks to everyone who made this conference possible – the participants, the planning committee and the Northern Virginia 4-H Center!

Carol Nansel (Fairfax ’74)
Irene Leech (Buckingham ’74)

4-H All Stars in Hokieland!

For the first time any of us can remember, our Midwinter's Conference will be held in Blacksburg. It gives us the opportunity to take advantage of some things that we cannot experience in the summer.

Remember that our rules require that we vote on new members a day after the list is first presented to the membership. Thus, we will begin Saturday afternoon taking care of business. Then, using van transportation, we'll take off on a tour of Hokie Paraphernalia providers, interspersed with visits to see some of the new facilities on campus including The Inn at Virginia Tech and Skelton Conference Center.

At 5:30 we'll meet at the new Animal Sciences Facility for a tour. That will be followed by a finger licking good chicken BBQ Dinner. We'll recognize current and former State 4-H Staff Members. (Please encourage all of them to come!) Then we'll be treated to a presentation of Virginia Tech Step Dancing.

The Men's Basketball team will meet Boston College at 7:00pm in Cassell Coliseum. While there are no tickets for sale from the Box Office, it is often possible to find some from people who have season tickets but cannot attend. Tickets cost \$25 each. If you want to go, see if you can find tickets. Irene is also willing to try to help find tickets.

If basketball isn't your thing, then meet back at the hotel for service projects and socializing with fellow All Stars.

After refreshments and socializing, you can head across the street from the hotel for midnight bowling (or to your room to sleep!)

Our Sunday Vesper and Memorial Service will be led by Virginia Tech students. Then we each district will have time to meet. We will finish the conference with our business meeting.
