

Affiliate Annual Report Form

Please return this form by December 1 of each year to your Region Director and the National Office.

State/Territory: Virginia Date: January 4, 2007
Person Completing Form: Cristin L. Sprenger Phone: 540-245-5750

Accomplishments: (Please list major accomplishments for the period of January 1-December 31)

We held a joint annual meeting in March with the Virginia Association of Family and Consumer Sciences (VAFCS).

Member Resources: New members were recognized at our annual meeting in May.

Awards & Recognition: We had one Distinguished Service Award recipient and one Continued Excellence recipient. We had 2 award winners at the state level that were forwarded on to National for judging.

Public Affairs: We provided our General Assembly members with Living Well keychains during their session in 2006. The Governor declared one week in March as "Living Well Week" in Virginia.

Other Special Projects: (Anything you would like to brag about): We had a retreat for all members in November. We had 38 members attend (out of about 50 eligible). We had a motivational speaker, as well as some team building activities. It was very successful, with many members indicating that it was worth their time to attend.

Concerns from your State: (Concerns for the NEAFCS Board):

The state of CES in your state: Virginia Cooperative Extension hired a new Program Leader for FCS in July 2006. Her name is Karen Gehrt and she has previous experience with Extension in Illinois. She attended the NEAFCS national meeting with us in October.
