A Note to Judges: It is important to realize when judging that this is more than an evaluation of a child's work. It is a teachable moment. While we have defined what we consider to be the important elements that need to be scored, many members learn as much from the comments you provide. Please try to make at least one positive comment about this project. If you have suggestions for improving future projects, please jot down comments for the member to consider. Thank you for helping our 4-Hers improve their skills in this way.
