

Event: Berry Field Day

When: May 17, 2019, Friday

Time: 1:30 to 3:30 p.m.

Where: Hampton Roads AREC
1444 Diamond Springs Road,
Virginia Beach, VA 23455

Why: See field studies on:

- Preplant anaerobic soil disinfestation treatments in annual hill strawberry production.
- Ruby June strawberry started from plug plants.
- Microbial inoculation trial with Chandler and Camino Real strawberry.

Taste:

- Prime Ark® Traveler and Freedom blackberry varieties.
- Ruby June, Chandler and Camino Real strawberry fruits.

Cost: Free to attend but RSVP required by May 16, 2019, noon.

RSVP to Jayesh Samtani (jsamtani@vt.edu) or Roy Flanagan III (royf@vt.edu)

Where to meet at the AREC:

In the parking lot between 1:15 and 1:30 p.m. If you are running late, we will be in the research fields section. Just walk east from the parking lot towards the research plots.

If you are a person with a disability and desire any assistive devices, services or other accommodations to participate in this activity, please contact Jayesh Samtani at 757.617.6990 or Roy Flanagan at 757.641.1434 during business hours of 8 a.m. and 5 p.m. to discuss accommodations 3 days prior to the event.

*TDD number is (800) 828-1120.
