Smoke Signals from the Big Chief

At the Interstate 4-H All Stars Conference at Graves Mountain Lodge in Syria, Virginia, I was honored to be elected as your new Big Chief and what a conference!!! Many thanks are due to many All Stars, especially to William and Susan Thomas for their four years worth of planning and hard work! (I’ll leave it to them to say more, later in this newsletter.) Before the conference, we experienced an exciting tapping ceremony when late afternoon thunderstorms forced a last-minute change of venue to Squires Commonwealth Ballroom at Virginia Tech. Many thanks are due to countless All Stars, Extension staff, and volunteers who set and reset the ceremony in a record amount of time! Those of you who were tapped this summer share a rain-soaked common bond and stories to tell for many years to come! Welcome to our new 4-H All Stars!

As we enter this season where red and green mean more than just a star and a clover, consider giving the gift of lifetime membership to a recently-tapped All Star. As you know, lifetime dues are $50, but will be going up to $60 on January 1st and up to $75 in 2015. Of course, lifetime membership means more when you are actively participating, so reach out to mentor new All Stars, bring them to conferences, let them step up to help with recurring tasks, and remind them about our scholarships and opportunities that are available to them as an All Star. The easiest way to involve them is at the unit level—helping to recognize and reward the next generation of 4-H members. I encourage all units to form chartered All Star chapters. If you are meeting yearly to review All Star nomination applications, you are already halfway there!

I am looking forward to Midwinter Conference in Radford—a city where I work, but rarely get to play. At the conference, we will continue our on-going service project of collecting school supplies and hygiene products to donate to local charities. Lauren Hartburg has been working diligently with younger member involvement and activities are planned specifically for the 25 and under crowd...so come one, come all!! Those of you attending Radford University or Virginia Tech (or who know someone with “crash space” in the area) can easily attend without getting a hotel!

We continue to advocate for Virginia Cooperative Extension whenever we can. I hope you will contact your elected officials—both local and state. Let them know how 4-H has impacted your life and how important our Extension personnel are in making 4-H a meaningful learning experience. This is one of the many ways we can live out motto of “Service!” When you are volunteering in service to 4-H, let them know that you are an All Star.

Yours in service,

MM Michelle Cock

Keeping in touch with our fellow All Stars

One of the great needs of the All Star organization is to have accurate, up-to-date addresses. It is difficult and takes time but is a great service to the organization and to those of us who have lost touch with the organization. If you know of All Stars who have changed names or addresses, please let us know. Send information on changes to wetsbt@gmail.com

**Hall of Fame Award**

The Virginia 4-H All Star Fall of Fame Award annually recognizes an individual 4-H All Star who has been a member of the Virginia Chapter of 4-H All Stars for more than 15 years and has rendered outstanding service – as is our motto – not only to the All Stars, the 4-H program itself, but also to civic and community organizations.

“Service” is the surely the middle name of this year’s Hall of Fame Award recipient. Tapped in 1987, this person attends Summer and Midwinter Conferences annually, as well as Interstate Conferences. She has been Northeast District Big Chief and Corresponding Secretary. She has coordinated several All Star Conferences, too. She sings for All Star tapping and is a volunteer 4-H leader with 31 years of service. Through her leadership, her 4-H club, the Business Bunch, participates in a number of community service activities, including visits to nursing homes and the annual James River cleanup. She often judges district 4-H contests.

She is a huge promoter of 4-H. She represents Chesterfield 4-H as a board member of the Jamestown 4-H Educational Center. She is a unit representative for the Virginia Association of Adult 4-H Volunteer Leaders and currently serves as President Elect for the Southwest District. She faithfully attends state volunteer leader conferences, too. She is a District Representative for the Virginia Extension Leadership Council and advocates to the Virginia General Assembly for 4-H program funding and support. She is also a Friend of the International 4-H Youth Exchange, supporting that program and helping to find host families.

Her service is not confined to 4-H. She volunteers at the Chesterfield Museum and the Historical Society, and she has done research to document the history of the African Americans in Chesterfield County. She has served as a Girl Scout Leader for the past 33 years. She gives unselfishly of her time and talents, and she is always ready to help out with any event, activity or program.

Sarah Gregory is this year’s recipient of the Hall of Fame Award.

Please note that these committee appointments are not finalized until acceptance has been noted by the chair of the given committee. If you wish to not serve on the appointed one, please let the chair know!

**Interested in Serving on a Virginia 4-H All Star Committee?**

It goes without saying that “Service” is our motto! We serve many aspects of the 4-H program and service to our own organization is just as important to be sure that we remain in a forward-thinking mode. If you would like to serve on any of the above committees for the 2012-2013 4-H year, please contact Michelle Cock, Virginia 4-H All Stars Big Chief. She would be more than willing to talk with you about your “Service” to the Virginia Chapter of 4-H All Stars!
The Virginia Chapter of 4-H All Stars held their annual Consecration Ceremony Tuesday, June 21, 2011 on the Virginia Tech Campus in Blacksburg, VA in conjunction with Virginia State 4-H Congress. The ceremony was moved from the Ag Quad to the Commonwealth Ballroom in Squires Student Center due to rain. Seventy-six new members were tapped in as All Stars. Fourteen were honorary members and the remaining 62 regular members. Of the 76 members, Southeast District had 2 honorary members and 1 regular member for a total of 3 new All Stars. Central District had a total of 5 regular new members. Northeast District had 3 honorary members and 3 regular members for a total of 6 new All Stars. Southwest District had 1 honorary member and 10 regular members for a total of 11 new All Stars. Northwest District had 4 honorary members and 13 regular members for a total of 17 new All Stars. Northern District had 4 honorary members and 30 regular members for a total of 34 new All Stars. Eight additional individuals were invited to join but did not accept or could not attend tapping. Of these eight, four would have been honorary members and 4 regular members.

The Ceremonial Committee would like to thank everyone who made the 2011 ceremony possible. Special thanks are due to the following: Ray Daubenspeck for serving as the committee chairman; Randy and Irene Leech for providing supplies and handling registration of new members; Susan Thomas for conducting the ceremony and new member orientation; Audrey Lee for assisting in conducting the ceremony; Michelle Cock for supplying new star name tags; Steve Wood for serving as the Eagle Scout; Dennis Bagnell, Andy Carrington, Cary Carrington, Julie Carrington, Mary Elmer, Kayla Eppard, Rita Eppard, Dorothy Haarman, Jim Hepner, Stacey Johnson, Kim Myers, and Kristen Weeks for serving as Scouts; Sarah Gregory, Kathy Nies-Hepner, Judy Ingle, and Bob Meadows for serving as singers; Cathy Sutphin, Tonya Price, Kathleen Jamison, and others in the State 4-H Office who coordinated scheduling and location of the ceremony; Jessica Ingle and Sam Leech for serving as liaisons to Cabinet concerning tapping; every All Star and new All Star who assisted with or participated in this year’s ceremony; and attending the ceremony in support of an All Star.

2011 Summer Conference/Interstate Report

Thank you Virginia 4-H All Stars for making Interstate 2011 a great experience! Full time attendance was 104, five single day participants and 146 at the closing banquet. This was the best attendance in many years with an excellent turnout of 23 first time attendees and 10 high school and college age All Stars. In addition, we had three international participants and three children. We hope they will join us at future Midwinter and Summer Conferences as well as future Interstates!

Virginia 4-H All Stars are especially appreciative of Jimmy and Rachel Graves and the staff of Graves Mountain Lodge for being such wonderful hosts! The fund raiser sponsored by Jimmy Graves and Graves Mt. Lodge at their 2010 Blue Grass Festival raised enough to cover two days of bus transportation helping to make the conference more affordable.

Schedules were kept, tours were well received, the meals were wonderful, buses provided by Blue Ridge Coach Lines were comfortable, the hayride with the bear sighting was a hit and the campfire was a unique event at Interstate. Jack Tyree was the draw for the banquet. The heat could have been something left elsewhere, but overall it was fantastic!!

After paying all the bills, we ended in the black; we have sent the $1,200 to Maryland for the 2012 conference. There has been $850 set aside in the Virginia fund in anticipation of our next hosting of Interstate in 2015 in Southwest District. In addition, we anticipate offering partial scholarships to the 2012 Interstate to first time attendees at the 2011 Conference. Donations will be made in support of the 2012 and 2013 Interstate Conferences.

Two auctions raised $3,100 for the Keffer Scholarship Endowment and $850 for the Thomas Wilson Scholarship in Shenandoah County. Shields Jones, assisted by Kendal Whitt and Anna Rij, plus several other All Stars and spouses conducted the auction.

Jack Tyree and his family members had a memorable time. The summation of his presentation will be in the next Star. Mason Hutcherson was the speaker at the Sunday morning Memorial service that was well attended. Deb Nester and Southwest District were responsible for the service.

Mary Ball Massey provided ballpoint pens used for promotion and for participants. The Districts did an outstanding job of support. Pam Levinson and Janet Coffer coordinated the numerous door prizes on behalf of Central District. Jean Powers and Rose Talbot of Eastern District – South coordinated the hospitality room with assistance from many. Special thanks to those who contributed these items.

Northern District-West, under the leadership of Chief Rory Nansel, provided an excellent lunch on Saturday with a number of All Stars preparing and serving the meal in New Market. The district also provided banquet decorations in the form of commemorative All Star candleholders that were later auctioned off to raise scholarship money.

Northern District-East, in addition to being the host district, provided the Thursday evening dinner under the leadership of Doris Carpenter. Many area All Stars as well as the Culpeper 4-H Honor Club assisted Doris. The District also provided lunch on Friday under the leadership of Shields Jones and Patricia Langfitt. Rita Eppard and the Greene County All Stars sponsored the hayride and campfire.

Thirty-seven evaluations were returned and rated the conference 8.8 out of 10. Friends and fellowship was the most common reason for attending along with the historical focus and the tours following as a close second. Twenty-five felt the cost (Full time, no discount = $180 to as low as $105 for a college student attending their first conference, using the early bird and not eating breakfast.) was about right with six “great bargains” and none “too expensive”. Of the 104 full time participants, 74 took advantage of the early bird discount.

“Footprints in TIME!” Keynote Address

Jack Tyree, former Director of Virginia 4-H, entertained and inspired those present at the 2011 Summer Conference. His opening remarks expressed his delight at being able to enjoy food and fellowship with so many 4-H All Stars whom he has not seen since the 1950’s. Mr. Tyree, who is currently 95 years of age, launched his talk by recounting an assortment of humorous incidents that he experienced after arriving in Upshur County, West Virginia in 1940 to serve as their first County 4-H Club Agent. Mr. Tyree delighted his audience as he used gestures and mimed the high voice of a Home Demonstration Agent, a native of a Massachusetts, who had presented him with much advice and who was a leading character in a number of the incidents that he related.

As one might imagine the “Mansion of Memories” from which Mr. Tyree selected his fond memories contains many rooms and counters 4-Hers, All Stars, volunteers, family members, and Extension professionals who have inspired him and played a part in the 4-H experiences that enriched his life. He expressed gratitude for being able to recall so many wonderful experiences and thanked family and others who had made it possible for him to be present to share with the group. Mr. Tyree stated that the Interstate 4-H All Star Chapters have a rich history. This rich history did not just happen, but rather can be attributed to the major factors: the first is that the principles of 4-H provide a sound foundation; and the second is the 92 years of service that All Stars and volunteers have given to 4-H.

Tyree credited Mr. W. H. “Teepe” Kendrick, State 4-H Leader in West Virginia along with other West Virginia administrators and Extension professionals with designing and establishing the sound foundation and agreeing on the 4-H All Star name. In 1919 Mr. Kendrick noted, “Such an organization is needed to promote and to carry 4-H ideals forward, forever.” Mr. Kendrick’s vision was that All Stars would help West Virginia Cooperative Extension at every level of structure. He envisioned that All Stars would teach children and youth to evaluate, and to increase their Head, Heart Hands and Health abilities. This would then result in enticing youth to become desirable, productive citizens of the USA and the world. Persons who experienced enough of the dimension of the 4-H Program to become All Stars would in turn become on going leaders and supporters of Extension and the 4-H Program.

Of course, Mr. Kendrick’s vision spread from West Virginia to other states. The scope and scale of the All Stars service to 4-H has been significant for the past 92 years. Mr. Tyree noted that Cathy Sutphin, Virginia’s Director of 4-H, lauded the All Stars for their support of Virginia 4-H in the remarks she made earlier in the evening. The written state reports that have been provided to each of participant in the Interstate Conference packet further highlight the outstanding contributions of the All Stars in the states participating in Interstate.

Mr. Tyree indicated that he has found this Interstate Conference to be exceptional. He has been impressed that in addition to individuals that each district in the state of Virginia had an assignment to carry out some area of planning. These assignments resulted in the cooperation of many people who worked together to make the Interstate Conference a success. Eight states have had All Star Chapters and at one time shared in the hosting rotation. State 4-H leaders are expressing appreciation for the tremendous assistance, which All Stars are providing the 4-H Programs.

It is Mr. Tyree’s view that State All Star Chapters have a significant future through continuing service to each state’s 4-H Program. All States are to continue to share, to promote and to carry 4-H ideals forward, forever. All Stars also need to nurture 4-H by staying informed about organizational changes, and political and financial situations so that they can decide on actions to take to help insure that it is possible to continue to conduct a sound 4-H Program. All Stars need to work closely with the Extension personnel who manage the 4-H Program. Mr. Tyree emphasized, “We achieve the most when everyone works together.”

In conclusion Mr. Tyree noted, “Isn’t it strange that princesses and kings and clowns that caper in sawdust rings, and ordinary people like you and me are builders of eternity? To each is given a book of rules and a bag of tools. Each must make stumbling blocks or stepping stones before life has flown.”

4-H All Stars have the privilege of building and presenting stepping stones. Mr. Tyree again emphasized how special it has been for him to be at Graves Mountain Lodge with so many special 4-H All Stars and family. He thanked the group for his many, many, marvelous memories.
