Show Management Letter

Dear Members and Parents:

Thanks to all the hard work from extension agents, 4-H leaders, and volunteers, the 2017 Southeast District shows and clinics were all successful. We really appreciated the hard work that was put forth by everyone on the Committee and the work of the volunteers at the show. We could not have had great events without that help.

Again this year there will be only (1) Dressage Qualifier offered by Southeast District Region 2.

It takes quite a few volunteers to properly run any show. We were lucky that so many people stepped up at the last minute to volunteer in 2017-if you were one of those who did-THANK YOU!! This year Silver Stirrups 4-H members and volunteers will be running the show.

The show gates will open at 8:00 a.m. and the show will not start before 9:00. Since the dressage show is (1) division there will be one overall Junior and Senior Champion and Reserve. Trophies and sashes will be awarded to Champions, Sashes to Reserve Champions. First place will receive a prize with blue in each class. This year Champion is awarded based on total points-tie will be broken by coefficients of BEST dressage test.

ALL youth competing at a Southeast District, Region 2 show have to complete Showmanship and an under saddle class to qualify for the State Show.

Be on time if you want to compete. For the Dressage tests each rider will be provided with a ride time via e-mail by the Wednesday before the show. The estimated times for Showmanship will also be given at that time. If you do not receive that e-mail it is *your* responsibility to contact the show management and get your ride times. bcbuehren@aol.com

Once you have parked proceed to the Secretary table to pick up your packet. You will be notified prior to the show of any entry issues, all must be resolved before your number will be released. Remember-you are required to have a hard copy of your Coggins available for the State Veterinarian at all times.

Good Luck to all participants! May you have a fun day and ride tall in the saddle!

4-H Horse and Pony Project Objectives

The purpose of this project is to help 4-H club members to:

Develop leadership, initiative, self-reliance, sportsmanship and other desirable character traits.

Experience the pride and responsibility of owning a horse or pony and receive training in its care, feeding, management and related costs.

Appreciate horseback riding as a healthy and wholesome form of recreation.

Develop skill in horsemanship and patience and understanding in handling horses and ponies.

Gain knowledge of safety precautions to prevent injuries to themselves, others and their mounts.

Develop greater love for animals and a humane attitude toward them.

Prepare for citizenship responsibility by working together in groups and supporting community horse projects and activities.

THE 4-H HORSE PLEDGE

I pledge:

“My head to clearer thinking.”

Working with animals provides mental relaxation from school studies and stimulates quick thinking and alertness.

“My heart to greater loyalty.”

The close bond that develops between a horse and rider and among young people working together toward a common goal brings about a deepening sense of loyalty and consideration for others.

“My hands to larger service.”

Skillful hands are a must for a rider. It is the touch of the hands on the reins that telegraphs the rider's wishes to his or her mount.

“My health to better living.”

Outdoor activities affect every nerve and muscle in the body in a healthful way.

“For my club, my community, my country and my world.”

The varied activities in 4-H club work provide many opportunities for young people to prepare themselves for active participation in the life of their community.

RULES AND REGULATIONS

PLEASE READ ALL RULES AND REGULATIONS CAREFULLY

GENERAL RULES AND REGULATIONS

The show's purpose is educational emphasis on sportsmanship, showmanship, safety and equitation. This event is open to all 4-H youth meeting the show requirements. All exhibitors must be bona fide members of a 4-H horse and pony project in Virginia. The 4-H project year is October 1 through September 30. Members must be enrolled in the unit from which they entered.

Each entry form must be signed by the 4-H member (exhibitor), parent (or legal guardian), 4-H leader, and extension agent.

Signing of the entry form by the member (exhibitor), parent (or guardian) and 4-H leader indicates the following:

They read and understood the show rules, regulations and procedures.

They agree to comply with all show rules, regulations and procedures without protest of any nature.

Failure to comply with rules; discourtesy toward any show official, volunteer, or other attendees; or mistreatment of animals may result in ejection from the show, disqualification and forfeiture of all prizes and awards won, and/or disqualification from showing in future 4-H shows.

All judges' decisions are final. Any protests about classes, championships, riders or horses must be in writing by a 4-H member prior to the end of show day. After that, it is final. Comments or suggestions are welcome to the SED 4-H Horse Council.

All show board decisions are final and without further recourse.

Polite discussions of the show rules and procedures are permissible at such time(s) as the Show Board deems appropriate.

Each 4-H member MUST have a designated adult supervisor. An adult may not supervise more than 5 members. The adult supervisors will be held responsible for the truthfulness of the entry (entering the project animal and not one of similar appearance) and for the conduct of their 4-H members.

Properly fitted ATSM approved safety helmets with permanently attached harness will be required for exhibitors in all classes. Helmets will be checked at the gates for proper fitting for the safety of riders.

Exhibitors must not be attached in any manner to the horse or saddle.

Exhibitors must wear their show numbers at all times when they are mounted-both in the ring and in any exercise area or while being led to and from such areas by an adult.

No schooling in show ring before the show.

Riding is only allowed in the show or exercise ring.

An adult must accompany all exhibitors who ride in the exercise area. No trainers, parents or other non-exhibitors are allowed to be mounted or school horses during the show. Exhibitors may only mount their own officially entered show animal(s).

Exhibitors mounted outside of the rings must be led by an adult.

No lunging is allowed in the exercise area. Lunging will be permitted in a designated area-check signs for exact location.

Only authorized personnel will be allowed in the rings. Trainers/coaches need to remain OUTSIDE of the exercise area-coach from the rail.

If an exhibitor is not ready to perform at his/her scheduled ride time, that exhibitor will be considered a 'no show'. Rider (only the rider) must check in with the Ring Steward.

Judges will be asked to give oral reasons for placing ribbon winners for each group class (Showmanship and Equitation). This will be optional with the judge.

The show management reserves the right to cancel, combine or divide any class.

Youth enrolled in 4-H clubs outside of SEDRegion 2 are allowed to enter this show-HOWEVER you MUST send an e-mail indicating your interest in participating and receive a confirmation response that there is room BEFORE mailing your entry. bcbuehren@aol.com

SHOW CLASSES

SHOWMANSHIP

Purpose To show your animal to its best advantage.

Horse The horse should be clean, well groomed and turned-out appropriately for its type. The horse should not be dirty or unsound, and should not show signs of poor feeding or health problems. The horse's hooves should be clean and trimmed well, with proper shoes if shod. Clear or black hoof dressing is permitted. Conformation of the horse will NOT count in any judging of showmanship.

Exhibitor The exhibitor should be neat, clean, well groomed, attentive, courteous, and should be wearing appropriate attire.

TACK: Suitable bridle. Bit must comply with USEF rules, contact show manager/secretary with questions. **Braiding/Banding of the mane is optional for juniors, mandatory for seniors.** Braiding of the tail is allowed but not standard in dressage. No whips or crops may be carried.

SHOWING THE HORSE IN QUARTERS

1. The showman must always have an unobstructed view of the judge, must always be presenting the horse and must always know what his/her horse is doing.
2. If the judge is standing at the rear quarter of the horse, the showman must be on the same side of the horse as the judge.
3. If the judge is standing at the front quarters of the horse, the showman is on the opposite side of the horse as the judge.
4. In either case, the showman must keep the judge within his/her field of vision at all times and should never stand directly in front of the horse.

Regardless of where the judge stands in the ring, the exhibitor shall always lead the horse from the horse's left (near) side. All turns shall be to the right with the exhibitor walking to the right around the horse.

METHOD OF SHOWING

1. Walk, trot, stop, turn, back and pose your horse as directed by the judge or ring steward. Group classes should enter and go counter-clockwise in the ring. Be alert and brisk.
2. Lead from the left (near) side of your horse with your right hand on the bridle reins. Your right hand should be on the reins about eight to twelve inches from the bit. Method of hold excessive reins is optional, but hold it in your left hand in a safe manner. When showing your horse at a walk, walk by its side-never directly in front of him. Its head should be about even with your shoulder. When moving, keep your horse's neck, head and body in a straight line and maintain precise control. Move it directly toward or away from the judge, unless the judge indicates that he or she wishes to see the horse from the side. Moves and returns should be in a straight line.

3. Show the horse with the reins short enough to assure maximum control and responsiveness from the horse. The exhibitor's basic position should allow the exhibitor to constantly see the horse's feet and also to observe the judge and ring officials.
4. Never obstruct the view of the judge and do not stand directly in front of the horse. Keep your eye on both the judge and your horse.
5. Run by the left side of your horse when you are showing at the trot. The horse should move willingly toward or away from the judge with his head, neck, and body in a straight line. The horse should trot freely and fast and should be alert-with his head up but not too high.
6. When a particular show ring procedure being used by a judge requires a horse to be reversed, the exhibitor should turn the horse to the right. Turn in as small a space as possible and attempt to keep the horse's hind feet planted in one place while turning. All turns should be made naturally. Any turn should be made to the right.
7. Keep your horse posed at all times and know where the judge is and what he or she wants. A good showman always gives the judge the best view of his or her horse. You cannot change your horse's type and conformation, but you can improve its style and appearance. Make it easy for the judge to see your horse to its best advantage.
8. Keep your proper position in line and allow reasonable space (at least 6 feet) between your horse and the other horses. Never let your horse interfere with another horse.
9. Be alert when leading in a circle-observe the horse in front of you. Bumping a horse from the rear is a serious fault in showmanship and is very unsafe.
10. If asked to change positions in the line, back your horse out of the line and approach the new position from behind. Do not get too close to other horses.
11. Move easily, quietly and with confidence when showing your horse. Be courteous, respond promptly to directions and show good horsemanship at all times.
12. Do your showing with the bridle rein. Do not touch your horse.
13. Pose your horse in a manner appropriate to the breed. Keep feet placed properly.
14. **Faults in showmanship:**
 - a. Failure to recognize and correct faults of the horse's position.
 - b. Visiting or conversing with other contestants in the arena during judging.
 - c. Kicking or placing the horse's leg into position (actual contact with the horse's leg)
 - d. Failure of the horse to lead properly.
 - e. Failure to stop before turning when showing at the walk or trot.
 - f. Failure to back horse when necessary.
 - g. Loud voice commands to the horse.
 - h. Over showing through unnecessary actions.
 - i. Turning the horse in the wrong direction.
 - j. Blocking the judge's view of the horse.
 - k. Causing the judge to move to avoid being bumped or stepped on by the horse.
 - l. Improperly fitting equipment.
 - m. Standing directly in front of your horse.
 - n. Throwing dirt, etc. into the air to attract attention of your horse.
 - o. Unruly behavior or lack of control of your horse.
 - p. Failure to be prompt, alert and courteous or failure to respond to directions.
 - q. Failure to keep showing until the entire class has been placed or excused from the ring.

Class Procedure and Awards

1. Contestants in a class will first be evaluated on an individual basis. Each will individually enter the ring at a signal from the judge. This will be in numerical order from lowest to highest number.
2. All contestants must be in line and individually perform the following pattern:
 - a. Move to the first marker as the horse ahead of you begins.
 - b. Wait at marker for signal from judge.
 - c. Walk to the second marker.
 - d. Back horse 3 steps
 - e. With no hesitation, trot to third marker.
 - f. Walk at third marker
 - g. Two strides past third marker HALT- do a 90* turn and proceed to fourth marker at walk.
 - h. Stop at fourth marker, set up and present horse to judge.

Each horse will then be kept in the ring and lined up by the ringmaster. Each horse will be shown and judged in line until the class is placed or excused. On-line judging may be used in addition to the pattern. At the judge's option may give brief oral reasons.

Showmanship classes are to be judged 90% on showmanship and 10% on appearance of exhibitor in the ring. Conformation of the horse will not count.

DRESSAGE TESTS

***As in Showmanship Braiding/Banding of Mane is required for Seniors.**

Tests will be judged based on the general directives for each test, based on standards determined by USDF. Tests will be performed in a large ring (20 x 60). Bit and whip checks may be conducted as competitors leave the arena. Test readers are allowed per USDF rules, **but there is to be no instruction from outside the ring. Such violation will result in immediate dismissal from the test.**
