

2024 Equismartz Hippology Contest

Senior 4-H Prepared Team Problem

You will have 10 minutes to prepare. Your presentation will be limited to 7 minutes. You will be penalized for exceeding the time limit. Your answer will be judged on presentation, teamwork, accuracy, and completeness.

You are planning to build your own equine boarding, riding, and training facility. You hope to have a certain number of boarders, keeping their horse at your facility year round, but also allow individuals to trailer their horse in for shows, lessons, and training.

Problem- Describe your ideal facility design for your new farm.

Be sure to discuss

- Location and Planning Considerations
- Stable and Pasture Design
- Biosecurity and Fire Safety
