4-H members, interested youth and volunteers from West Virginia and Virginia are invited to participate and experience components of the state educational contests collectively known as EquiSmartz in Virginia.

Participants will need access to a computer and the internet.

Youth will learn the basic format of the contests, types of questions presented, and will participate in a mini-practice contest for each contest, however, there are no awards.

Club leaders, parents, and volunteers may participate in a concurrent session for instruction on how to organize teams for the contests.

This introductory virtual equine educational program is co-hosted by the Virginia 4-H Horse Ambassadors, WVU Extension, and the WVU Equine Studies program
