2019 Hippology Contest Rules & Resources

February 8, 2019

OBJECTIVE

The primary objective of the Hippology contest is to provide, in a friendly but competitive setting, an opportunity for youth enrolled in 4-H or FFA to demonstrate the breadth of their knowledge and understanding of equine science and management, and in particular, the practical application of this knowledge and skill. It is hoped that this contest will generate new friendships and be a rewarding experience for the contestants.

Guidelines and Essentials

Registration must be postmarked by February 1, 2019 and accompanied by a registration fee of \$10.00/contestant.

Entries postmarked after Feb. 1 are considered LATE ENTRIES and should include a \$12.00 registration fee/contestant.

Any team changes must be made by February 7, 2019 to contest managers via email Chelsea Bickley (chels99@vt.edu).

Teams consist of three or four members. In teams in which there are four members, all will compete, but the member receiving the lowest overall score will be automatically declared the alternate. The scores of the alternate will not be included in any of the team totals, but will be eligible for individual awards. Teams consisting of three members will have no alternate and all members' scores will count in determining team awards.

Combining individuals to form cross-club teams is allowed but must be included in registration, or arranged with contest managers no later than February 7, 2019.

Junior Division and contestants participating as individuals only will not compete in the team problem.

Eligibility rules respective to the youth program are enforced:
