# Block & Bridle 2022 Hippology Contest Rules & Resources February 11, 2022

1:00pm – Alphin Stuart Livestock Arena – Blacksburg, VA

### OBJECTIVE

The primary objective of the Hippology contest is to provide, in a friendly but competitive setting, an opportunity for youth enrolled in 4-H or FFA to demonstrate the breadth of their knowledge and understanding of equine science and management, and in particular, the practical application of this knowledge and skill. It is hoped that this contest will generate new friendships and be a rewarding experience for the contestants.

#### Guidelines and Essentials – Please Read Carefully – There are changes from previous years

**COVID PROTOCOL**: COVID Protocol for VA Tech and Virginia Cooperative Extension, at the time of the contest, will be followed and enforced. Current guidelines require that ALL participants, regardless of vaccination status, (contestants, coaches, volunteers, parents, and contest administrators) wear a mask when indoors at a VA Tech facility – this includes LARNA and any on-campus buildings that may be used.

\*\*\*COVID Protocol is subject to change and will be communicated to all registered participants prior to the contest

Entries will be submitted electronically using this link: <u>https://tinyurl.com/BandBHorseContests</u> Entries must be submitted via the electronic link above, no later than Thursday, February 3<sup>rd</sup>. A copy of the electronic entry summary sheet must be saved as a PDF and emailed to <u>carterke@vt.edu</u> no later than Friday, February 4<sup>th</sup>.

#### Late entries will **NOT** be accepted.

Entry Fee Payments are NOT to be mailed, but submitted the DAY OF THE EVENT during registration and check-in. <u>Entry fees for the Hippology Contest are \$6.00/contestant</u>.

Team Designation is not required at the time of entry – Team assignments will be made by the coach during registration/check-in the day of the event.

During the entry process you will need the following information for each contestant: Name, Date of Birth, Current Grade Level (required for FFA contestants), and any accommodations required.

<u>There are NOT separate 4-H and FFA Contests, therefore youth may NOT dual enter</u>. Each participant must decide whether they will compete representing FFA or 4-H. All contestants must be an enrolled and eligible member of the FFA Chapter or 4-H Unit that they represent in the contest.

Teams consist of three or four members. In teams in which there are four members, all will compete, but the member receiving the lowest overall score will be automatically declared the alternate. The scores of the alternate will not be included in any of the team totals, but will be eligible for individual awards. Teams consisting of three members will have no alternate and all members' scores will count in determining team awards.

Team members must all represent the same Unit or FFA Chapter and be enrolled members of that organization.

Contestants participating as individuals only will not complete the team problem.

## Eligibility rules respective to each youth organization are enforced:

**FFA** –Eligibility of teams will be determined by the rules stated in the National FFA Career Development Event Manual as well as "Official Board Policy". <u>Senior teams</u> – members must be in 9<sup>th</sup>, 10<sup>th</sup>, 11<sup>th</sup>, or 12<sup>th</sup> grade at the time of the contest. <u>Junior Teams</u> – members must be in 6<sup>th</sup>, 7<sup>th</sup>, 8<sup>th</sup>, or 9th grade at the time of the contest. 9<sup>th</sup> grade contestants may only compete in one division.
