

VIRGINIA STATE 4-H HORSE SHOW “HORSE SHOW HERO” PROGRAM

The Virginia State 4-H Horse Show Committee and its participants must work together to meet the ever-increasing financial challenges. We are asking the youth to participate in helping raise funds for the show. This show could not happen without the support of our industry and the many people involved. The Horse Show Hero Program is a way to garner support of the show while also making it easier for youth to attend. While this program is completely voluntary, we do encourage our youth to work to make a difference. Sponsorships may be solicited after the deadline, however we cannot guarantee they will be added into the show program.

STABLING PRIORITY
Units with the total largest funds raised as of July 18 will have priority stabling choice! Top Unit gets first choice, etc.

SPONSORS receive advertisement or acknowledgement for their contribution. See our [sponsorship package for advertising options](#).

The 4-Hers exhibiting in the horse show may ask friends, family, and businesses to become a “Horse Show Hero” in support of the Virginia 4-H Horse Show and Program. *All Horse Show Hero funds are submitted to your Extension agent for submission with the full Unit Orientation Report Form or can be mailed directly to the address below for processing upon receipt of funds.*
