4-H HORSE AMBASSADOR PROGRAM

MISSION
The Virginia 4-H Horse Ambassador Program affords 4-H members the opportunity to demonstrate their skills in citizenship, leadership and public speaking as they travel around Virginia serving as advocates and spokespersons for the Virginia 4-H Horse Program at a variety of events and outreach activities. The function of this group is to help build the 4-H horse program in Virginia and to help its members increase their knowledge of the sport. This is a service organization for which it is an honor to be chosen and is only as strong as its participants.

See the tentative calendar of activities based on the prior year’s calendar (attached at end of this document). We encourage you to take up every effort to participate in events as they arise. Ambassadors are the hands and feet of the program and represent in a wide variety of outreach opportunities as called upon outside of our organization. We are so proud of our Ambassador’s enthusiasm to rise to these added occasions, such as the Legacy Awards, VHIB and VHC events.

Social Media and Individual Contacts (expected but not required)
• Post per requests by Advisors to help promote events and campaigns. Your voice and testimony is much more powerful as a youth leader than adult Advisors!

• The type of social media posts encouraged would be personal testimonies of the 4-H Horse Program or that of an educational nature, drawing attention to the 4-H horse program. For example, post a fact on the horse program Facebook page with a fact such as “Did you know a Grulla is a Black Dun” (interesting facts), include a photo of such a color. This could also be a lead into news of EquiSmartz or other 4-H horse programs.

• Individual Contacts are those which promote the 4-H program through conversations to non-4-H members in an informal setting (not an outreach event), sharing your story on a personal level and providing contact information for further investigation of the program.

FINANCIAL SUPPORT
We have been fortunate to have funding of a grant from the Virginia Horse Industry Board which we use to cover some lodging, attire, and Symposium fees. Personal ambassador expenses will include travel, lodging, meals, and personal ambassador attire. Ambassadors will be expected to cover their own costs in this program, however the Horse Program will cover some meals and hotel expenses as deemed appropriate and may cover the cost of Ambassador embroidered shirts and t-shirts. A priority will be given to ambassador reimbursements if additional funding is available within their term for lodging expenses, so save your receipts and inquire further. It is recommended that ambassadors seek additional financial support from their County 4-H Leader Advisory Association or the Extension Leadership Council, with the help of their Extension agent. Tractor Supply Funds may also be used for activities associated with being an Ambassador, however this is a Unit-level funding source. Ask your Extension agent if this is available to you.
EXPECTATIONS OF AMBASSADORS

BEHAVIOR AND CONDUCT

• Represent the needs and interests of Virginia 4-H youth - ambassadors must maintain a high standard of personal conduct and should act as positive role models for other 4-H members.

• Positively represent and promote 4-H at the local, district, and state levels. Serve as leaders and demonstrate the best that 4-H has to offer through your words, actions, personal appearance and adherence to the Code of Conduct.

• Be prepared to develop a collaborative relationship with youth and adults. Together, we will work toward establishing youth-adult partnerships.

• Be prepared to laugh, to share ideas, to discuss your positions and perspectives, to give and receive constructive criticism, to develop friendships, and to make a difference in the lives of others.

• You are the voice of 4-H and for 4-H’ers across Virginia. In this role you may be called upon to speak on behalf of 4-H before a variety of audiences including local, district, state and out-of-state events. Preparing an outline for your speech or presentation is crucial to your success. Seek advice from your District Advisor to review the content of your presentation or speech.

• Keep your District Advisor informed of your outreach activities before they happen. Work closely with your advisor to assist you in preparing presentations, media contacts and letters. Report to your Advisor on your Personal Goals and an action plan to implement these goals.

• Always put your best foot forward. The manner in which you dress, talk and act are very important when you are serving as an Ambassador. At shows and events, you might be on your feet for up to nine hours a day with a strenuous schedule. Make sure you are well rested before the event and eat properly so that you don’t get tired and irritable. Although we all get tired at these events, always do your best to be cheerful and ready to respond positively to everyone.

• You are expected to be on time, so plan to be early to all events. Respond promptly to phone and email inquiries. It is very important that you send thank you notes immediately following an event.

• For the duration of an event or meeting, your advisors will be your guardians/chaperones. You will respect these adults and honor the boundaries set. Curfews will be set and enforced.

• You will not be allowed to drive other youth in your vehicle while the event is in session.
• If your parents want to travel to any of the events in which you are participating, they will be responsible for their own expenses and making their own travel arrangements and reservations.

• Ambassadors serve at the will and pleasure of the 4-H Horse Program and can be removed for misconduct, not meeting requirements, or not following the rules.

ATTENDANCE
• Attendance is required at the induction ceremony conducted during State 4-H Championship 4-H Horse & Pony Show on Saturday evening. All successful candidates are required to participate in a group photo following the ceremony.

• Must attend the Kick-off meeting and two additional ambassador meetings during your one-year term. In other words, you must commit yourself to this leadership and service opportunity.

• Ambassadors will have a duty to promote and be involved in all facets of the Virginia 4-H Horse Program, particularly at the state level events. Therefore, ambassadors, must attend two of three state events for the majority of the event time as needed. (EquiSmartz, State 4-H Championship Show, State 4-H Fair Horse Show).

• At minimum, participate in three outreach activities by conclusion of term. Outreach is defined as the efforts you personally make to inform and/or recruit youth and adults to Virginia 4-H and the horse program. Examples are listed in the above Acceptable Outreach Activities.

• Ambassadors are responsible for their own travel to and from meetings and outreach events.

• Any ambassador who cannot attend a meeting is responsible for notifying the State 4-H Office Extension Lead Advisor - Sandy Arnold email: horse4h@vt.edu or by phone 703-201-4322 and their District Advisor.

• Any ambassador who misses the required meetings or events will be removed from the roster and may not apply for this position in following years, without written permission from the Lead Advisor and their District Advisor.

• Being an ambassador is a great honor. With this honor comes accountability, honesty and personal responsibility, demonstrating the best that 4-H has to offer. As 4-Hers we strive to represent the six pillars of Character Counts - Trustworthiness, Respect, Responsibility, Fairness, Caring and Citizenship.
TERM OF OFFICE
One full year beginning and ending on September 25.

OBLIGATIONS
• Meetings / Trainings are obligatory; however, two attendances are required.
• Two out of three State 4-H Horse program events are required, minimum of 8 hours or one full day.
• A minimum of three outreach events are required.
• Social media posts and individual contacts are encouraged.
• **Log your outreach events, social media post and contacts here.**
• Log your Statement of Personal Goal (link provided via email) by Oct. 30.

COMMUNICATION
**RSVP’s are required for every meeting scheduled** and it is expected that you will respond quickly without follow-up by a reminder. You must also communicate directly with your District Advisor on the activities and outreaches you plan to attend. Always reply to emails, even if it is a “got it” so we know you have the emails. Communicate your needs for events (i.e., brochures, business cards, promotional materials) well in advance of the event. Extension agents are very busy, going in many directions and may not always be working in their office. They need lead time to plan for copies and materials for you.

DRESS CODE
All ambassadors are expected to purchase their own attire which agrees with the specified Ambassador uniform. The 4-H program will provide a VA 4-H pin, a green tie for the gentlemen, and a matching green scarf for the ladies. The oxford shirts, ties and scarves will be covered by the VHIB grant.

Uniform dress is required at all outreach events, but not required at ambassador meetings / trainings. Informal attire is expected at shows, all-day events and contests, club meetings, etc. Formal attire is expected when visiting with legislators, at awards banquets, being a special guest speaker, special presentations, etc.

Informal events (state events, horse shows, contests, etc.):
• VT maroon, long-sleeved oxford collared shirt (ordered by the advisors), tucked in pants (no shirt tails out)
• Dark blue jeans or Khaki pants, boots or brown shoes, brown belt
• VA 4-H pin (provided by 4-H Horse program) and name tag

Formal events (awards banquets, guest speaking, meeting legislators, etc.):

• Solid green tie for men, scarf for ladies (provided by 4-H Horse program)
• Men: khaki or blue pants, belt, polished shoes or boots
• Ladies: (khaki or blue) pants with polished boots or skirt with dress shoes
• VA 4-H pin (provided by 4-H Horse program) and name tag
Ambassadors are expected to dress in a manner befitting young men and women. Modesty, neatness, well-groomed and practicality will be the guiding principles. Cleanliness and good hygiene are a must. Ambassadors are to have no visible tattoos and no body piercing except for females which are limited to two earrings. For formal events, shirts and blazers should be cleaned and pressed and ready to wear at appropriate occasions. Jewelry must be kept to a minimum.

When uniform attire is not required, ambassadors are not to wear torn (intentional or otherwise) or sloppy clothing. Tank tops, muscle shirts, bare midriffs, low necklines, sundresses, and tight or otherwise revealing clothing will not be allowed. This applies to all spandex fashions. T-shirts with negative, outlandish, disrespectful messages or pictures will not be allowed. Ambassadors may wear shorts and skirts of modest style and length. Shorts, skorts and skirts may be no shorter than 3” above the knee. Jeans and casual dress slacks are preferred. Both men’s and women’s shirt tails should be tucked in. Footwear – clean, neat, shined and appropriate. No flip flops. When in the presence of horses, you must wear boots.

When serving as an ambassador, you need to remember that you are representing the 4-H Horse Program youth to the public and it's important to make the best impression possible.

**Cost to Participants:**
- **Uniforms** – average costs for dark blue jeans (~$35), khaki pants or skirt (~$30), belt (~$18-50), white blouse (~$25), blue blazer (~$30-$50).
- **Postage and Stationary** - sending occasional Thank You cards and notes.
- **Travel** – provide own transportation to events.

**Note for 2017-2018:** For the 2017-2018 term, a VHIB grant covered expenses for uniform oxford long sleeve shirt ($25 value), scarf ($10 value), name tag ($5), meals at State Capitol Day and Equine Legislative Day, and other minor expenses. We have been allowed a grant again for this upcoming year 2018-2019, so the program will be able to cover the same expenses for 2018-2019 plus T-shirts. Farm Credit Knowledge Center covered additional expenses at Symposium last year which helped keep the cost down to $100/participant.
