

4-H Horse Program Horse Measurers List

The following list is inclusive of veterinarian's, measurers certified and trained by other equestrian organizations (USEF, AMHA), and measurers certified through clinics offered by the Virginia 4-H Horse Program.

DISCLAIMER: This is a list of certified measurer's to be used as a resource in providing 4-Hers a more convenient opportunity to get a 4-H Horse Measurement Card. Only those certified at a Virginia 4-H Horse Program measurers certification clinic are enrolled as a 4-H volunteer. Thus, measurers should not be allowed direct supervision of 4-Hers without a club leader, agent, or level 2 4-H enrolled volunteer present.

Instructors certified through a Virginia 4-H Horse Program approved horse measurers certification clinic **MUST** be enrolled in 4-H Online as a Level 1 (minimum) program volunteer prior to certification, and must maintain their status as an enrolled volunteer in order to stay on the Horse Measurers List. These instructors must also be re-certified through a 4-H Horse Program approved certification clinic every 5 years.

Certified Horse Measurers

Shaded Measurers indicate that they have submitted enrollment through 4H Online but have yet to be approved by the VCE Agent. Confirm approval prior to measurement clinic date with huntl97@vt.edu

NAME	COUNTY/DISTRICT	PHONE	Email	DATE CERTIFIED	Current Volunteer?
Aaron Adkins	Accomack	410-430-9231	theflyingorchid@gmail.com	2022	Submitted
