R.L.HARRIS Jr. MEMORIAL

Shotgun Championship

The Virginia 4-H Shooting Education Council would like to invite you to be a station sponsor for the 2019 R. L. Harris Jr. Memorial Shotgun Championship. This event will take place at Brushy Mountain Gretna, Virginia on Saturday, September 28th. Each station sponsor will have an attractive sign placed at a shooting station and each sponsor will have his or her name printed in a flyer that every participant receives at registration.

This will be the thirteenth annual Virginia 4-H Shotgun Championship and the event will bring together the top 4-H shotgun shooters from across the state in a 200-target format that includes the major shotgun disciplines. The money raised from sponsorships will be used to support this event and to support a Virginia Development team that may attend the 2020 National 4-H Championships. Donated funds will be used to defray the cost of practice, registration fees, and travel expenses for the youth who make this team.

The youth that participate in the 4-H shooting programs across the state have fun learning and competing. At the same time, certified instructors and leaders teach life skills including self-confidence, personal discipline, responsibility, teamwork, self-esteem and sportsmanship. Our goal is to have these attributes carry over into the youths' daily lives. The program also promotes the safe and ethical use of firearms. It is our belief that firearm education reduces gun accidents.

For more information, please contact one of the following 4-H volunteers:

David Maddox 434-444-1625

To serve as a sponsor this year, please contact one of the above listed volunteer leaders or fills out the enclosed form and returns it to:

Barbara McDougall
10848 Quail Creek Ln.
Manassas Va. 20112

Thank you for supporting the 4-H youth of Virginia!
