## **New since 2016 and applies to 2018**

**Age Divisions:** Competitors will be classified into one of two age divisions based on **calendar year**.

For BB: The category of 10 and younger includes those born anytime in: 2008 [10 years], 2009 [9]

- A. Eligible to shoot in the match if born anytime after 6/15/2002, and of course, anytime in 2003 [15], 2004 [14], 2005 [13], 2006 [12], 2007 [11], 2008 [10], 2009 [9]
- B. Competitors born between 1/1/2002 and 6/15/2002 cannot shoot in the match because they will be 16 years old when the match starts. NRA BB rules do not allow shooters who are 16 on the day the match starts.

For Air Rifle Silhouette, Air Pistol Silhouette, Air Rifle 3P, Smallbore Rifle Silhouette, Light Rifle, Match Rifle, Trap, Skeet, and all Archery:

- A. Seniors were born anytime in: 1999 [19], 2000 [18], 2001 [17], 2002 [16], 2003 [15], 2004 [14]
- B. Juniors were born anytime in: 2005 [13], 2006 [12], 2007 [11], 2008 [10], 2009 [9]

For Smallbore Pistol Silhouette: Senior competitors only. Seniors were born anytime in: 1999 [19], 2000 [18], 2001 [17], 2002 [16], 2003 [15], 2004 [14]

For Air Pistol PPP: The award category of 10 and younger includes those born anytime in: 2008 [10], 2009 [9]

- A. Basic Supported (maximum age – 12) born anytime in: 2006 [12], 2007 [11], 2008 [10], 2009 [9]
- B. Standing Supported (maximum age – 14 ) born anytime in: 2004 [14], 2005 [13], 2006 [12], 2007 [11], 2008 [10], 2009 [9]
- C. International Standing (no minimum age)

4-H membership terminates on December 31st of the year a member has their 19<sup>th</sup> birthday.

**Awards:** Individual awards will be given to the first, second and third place individuals in each age division in each event/category. First place team awards will be given in each age division for the following events/categories – Air Rifle (3-Position), Archery (Compound and Recurve only), Trap, Skeet and Smallbore Rifle (3-Position and Silhouette).

Team scores will be computed by adding the top three scores of the individuals in each age group in each category from each club. Teams must have a minimum of three members. “Makeup” teams from across county lines are not allowed unless the members practice and regularly shoot together as members of the club.

Junior members may not shoot as members of a Senior Team.

**Safety:** The safe conduct of the District 4H Shoot is paramount. Anyone found carelessly handling firearms or bows and/or acting in a manner which could endanger themselves or others may be disqualified from the entire competition. Any match official may make the

decision to remove the competitor from the firing line for actions, which he feels, are unsafe. The final decision on whether or not to disqualify an individual rests with the Match Director.

Firearms and Air Guns must be in cases or on gun racks at all times when not being used in competition. When carried to or from the line, or while on the line but not actually firing, all actions must be open. Dry Firing will be permitted only on the firing line. Shotgunners will not dry point or dry fire on other shooter's targets. A shotgun will be mounted only when the shooter is actually shooting at his target.

**Uncased firearms are only allowed on the firing line. All rifles and pistols (air and smallbore) must have blaze orange clear barrel indicators in place.**

**ALL** participants must use **EYE PROTECTION** (except archery). Contestants in firearm events **must use EAR PROTECTION**. Each individual will be required to have their own ear and eye protection. No one should count on these items being available at the range. **No open-toed shoes (including Croc's) or cell phones allowed on the firing line.**

**Smallbore Silhouette Ammunition Restrictions:** The VA 4-H Shooting Education Council implemented the following restriction which is designed to prevent damage to targets, comply with NRA Silhouette rules, and to prevent ricochets. .22 Long Rifle ammunition with round-nosed or hollow-point pure lead bullets, is the only ammunition approved for shooting 4-H metallic targets. Frangible or segmented bullets are prohibited. Copper plated bullets are permitted.

.22 Long Rifle standard velocity ammunition with 40 grain lead bullets should be used when available. Ammunition with muzzle energy above 140 foot/pounds is prohibited. Refer to manufacturer's website for muzzle energy values.

Ammunition sold as "Segment HP", "Hyper-velocity", "Super Speed", "Super Max", "Velocitor", "Yellow Jacket", "Viper", "Power Point", "Stinger", "Cyclone", "Interceptor", some "Mini-Mag+V" or other similar brands routinely do not comply with bullet type or energy and should be researched carefully before purchase.

Range officers may prohibit any ammunition they believe to be out of compliance, even if it is not specifically mentioned above. Range officers may refer to this chart as an aid:

Bullet Weight (grains)	Velocity (fps)	Energy (ft/lbs)
40	1256	140.1
38	1288	140.0
36	1324	140.1

**Knowledge of Program:** IMPORTANT! PLEASE NOTE. Because of range limitations and numbers of contestants it is imperative that time schedules be strictly adhered to. This means that all shooters must have basic knowledge of the program, i.e. that each person is familiar with the rules and skills associated with their discipline. Coaches should go over the rules before match day. Competitors should have experience in the events they plan to participate in for safety's sake. Competitors are to provide their own equipment and ammunition.

**Equipment:** Contestants must provide their own bows, arrows, BB guns, rifles, shotguns, pistols and ammunition for all events. For shotgun events, lead shot 7 ½ or smaller. No reloads; factory loads only.

**Rules:** All air rifle, BB gun, smallbore rifle, and air pistol matches will be conducted in accordance with CMP rules, NRA rules, USA Shooting – NRA Progressive-Position Air Pistol Rules or as modified in the match program. National Skeet Shooting Association (NSSA) rules and American Trap Association (ATA) rules will be used except where noted. Archery rules are printed in this program.

**Ties:** Ties will be broken in accordance with the appropriate rules.

**Challenges & Protests:** Challenges and protests for all matches will be handled in accordance with the current NRA, CMP, PPP, NSSA or ATA rules. No challenge fee will be charged but frivolous challenges (as ruled by match staff) will not be allowed. Only a competitor or his coach of record may initiate a protest or challenge. There will be only one coach of record from each county or club. Protests or challenges will be handled by a three-person jury whose decisions are final.

**Shooting Schedules:** Shooting times will be scheduled in advance for all persons returning the registration forms and payment on time. Late registrants will only be scheduled if space and time permits. The Event Chair and Match Officials reserve the right to modify schedules in order to accommodate as many competitors as possible.

**Coaching:** In keeping with the EDUCATIONAL nature of this event, **coaching will be allowed** when the competitors are on the firing line in all events. Coaches are expected to conduct themselves in a way that does not interfere with other competitors or with the conduct of the match.

**Coaches' Responsibility:** Coaches are allowed to be on the line and may coach their competitors while firing. It is the responsibility of each coach to insure that each of their competitors have met the minimum requirements including knowing how to follow range commands and practice safe firearms handling. Competitors must come with experience shooting the firearm they will be using. Inexperienced competitors must be accompanied by a coach.

**Lodging:** The Airfield 4-H Center has limited lodging available for those wishing to stay Friday or Saturday night. Contact John Lilley Phone: 757-899-4901 for details.

**Food:** A lunch concession will be available.

**Adult Assistance:** Each Match Director will have organized his/her particular events and secured adequate help to run it smoothly. There may be times where additional assistance is warranted. In these situations adults may be asked to help as well as supervise their participants. Adults should report to the Match Director to offer assistance. Each team must be accompanied by an adult 21 years of age or older.

**Rules:** USA Shooting – NRA Progressive-Position Air Pistol Rules  
(Most recent version)

**Equipment:** Competitors must furnish their own pistols, pellets and equipment. Any pneumatic, spring piston or CO2 air pistol .177 caliber as defined by the Progressive-Position Air Pistol Rules. **NEW** Flat-nosed lead pellets (match pellets) are required. Round-nosed or pointed pellets are prohibited since they do not work with the Orion scoring system.

**NEW** The VA 4-H Shooting Education Council has modified the rules for the Air Pistol competition at the 2018 District Shoots, the upcoming VA 4-H State Shoot, scheduled for September 7-9 at the Holiday Lake 4-H Center, and all future events. The change is designed to comply with USA Shooting - NRA Progressive-Position Air Pistol Rules, specifically rule 4.3.2. Competitors shooting in the Standing Supported position must use a counter-balance support that provides an infinitely variable amount of support of the pistol's weight and balance without totally dampening the athlete's movement. All rigid support stands, such as air rifle offhand stands, totally dampen the athlete's movement and **will not be allowed**. The link below contains plans for building a simple, affordable version of a counter-balance stand: [http://www.usashooting.org/library/Youth\\_Development/Z\\_PPP\\_Counterbalance\\_T\\_Stand.pdf](http://www.usashooting.org/library/Youth_Development/Z_PPP_Counterbalance_T_Stand.pdf)

**Ties:** **NEW** All individual ties to be broken by determining which competitor had a greater number of Xs, 10s, 9s, through 1s. If a tie still exists, the scores from the fourth end will be compared, then the third end, etc. If tie still exists, the competitors will remain tied and both will receive the award for that place.

**Rules:** When shooting, the archer shall straddle the shooting line. Participants should be familiar with whistle and verbal commands as follows:

- Two blasts – shooter to the line, straddle the line with bow in hand
- One blast – the line is hot, nock arrows, commence firing
- Three blasts – the line is cold. Go forward to the target line.
- Four or more blasts – cease fire!

**NEW for 2018** “Sky-drawing” is strictly prohibited! Competitors will be warned once, but a second violation will result in **immediate disqualification** and removal from the range.

An arrow leaving the bow is considered a shot unless the shooter can reach it from their position with their bow.

An arrow shaft (not fletching) cutting two (2) colors shall count as hitting the inner one.

An arrow going through or bouncing off the target paper shall be shot again regardless of where it hit the target.

Prior to the competitor pulling their arrows, the judge shall orally count the score at the target. Any protest by the competitor must be taken up at this time. Final decisions rest with the Match Directors. The score shall then be recorded and the arrow pulled.

**Equipment:** Competitors must provide their own bows and arrows (minimum of 5 arrows) and accessories. **Quivers and arm guards** are required for all competitors. Eye protection and finger guards are recommended but not required. **NEW** Arrows larger than 27/64ths in diameter are not permitted.

Recurve (and Long Bow) – Only recurve and long (straight) bows without pulleys or cams are allowed. Pin sights are permitted.

Compound Bow – Compound bows using pulleys or cams are allowed. Overdraws, pin sights, peep sights, stabilizers and mechanical releases are allowed. No optical sights are permitted.

**NEW Instinctive No-Let-Off Bow** (i.e. Matthew Genesis-type stock bow). Only bare bows with no let-off are allowed. Sights, mechanical releases, draw stops, and stabilizers are not permitted. Archers may wear finger tabs, tape, or gloves to protect draw-hand fingers. Metal, tied, or heat-shrink nock locators may be used.

**NEW Modified No-Let-Off Bow** (i.e. Matthew Genesis-type bow with accessories). Only bows with no let-off are allowed. Sights, mechanical and other releases, and other accessories are permitted.

Crossbows are prohibited. Broad head (blade) points, illuminated sights and optical (glass) sights are not allowed.

Equipment deemed unsafe by the Match Directors shall be prohibited.

**Rules:** NRA 5-Meter BB Gun Rules with the following exception:

SCORING: The Orion scoring system will be used. Scores posted after each relay. Targets may be reviewed in the Stat House until 90 minutes after the last relay. If a competitor or coach wishes to protest the value of a shot where the Statistical Officer did not find an obvious error, the Statistical Officer will then rescore the protested shot by using the Orion "Protest Shot" feature. If the protest is upheld, the score will be changed. If the original score is not changed, a two-point penalty will be deducted from the score of the protested shot. Decisions regarding protested shots that were rescored by the Orion system are final. Supersedes NRA rule 14.3.1.

**Equipment:** Competitors must furnish their own BB Gun, BB's and equipment. Any shoulder held smoothbore BB gun with metallic sights, in which the propelling force is developed through the use of a compressed spring, gas or compressed air.
