Safety:

The safe conduct of the State 4-H Shotgun Championship is paramount. Anyone found carelessly handling firearms and/or acting in a manner, which could endanger him/herself or others, may be disqualified from the competition. Any match official may make the decision to remove a competitor from the firing line for actions, which he/she feels, are unsafe. The final decision on whether or not to disqualify an individual rests with the Match Director. Firearms must be in cases or gun racks at all times when not being used in competition. When being carried to or from the line, or while on the line but not actually firing, all actions must be open.

National Invitational: This event will be used as the first step to select the state shotgun team to compete at the 2018 National 4-H Championships

Virginia 4-H Shotgun Championship

The Virginia 4-H Shooting Education Council would like to invite you to be a station sponsor for the 2017 Virginia 4-H Shotgun Championship. This event will take place at Brushy Mountain Gretna, Virginia on Saturday, September 23th. Each station sponsor will have an attractive sign placed at a shooting station and each sponsor will have his or her name printed in a flyer that every participant receives at registration.

This will be the tenth annual Virginia 4-H Shotgun Championship and the event will bring together the top 4-H shotgun shooters from across the state in a 200-target format that includes the major shotgun disciplines. The money raised from sponsorships will be used to support this event and to support a Virginia Development team that may attend the 2018 National 4-H Championships. Donated funds will be used to defray the cost of practice, registration fees, and travel expenses for the youth who make this team.

The youth that participate in the 4-H shooting programs across the state have fun learning and competing. At the same time, certified instructors and leaders teach life skills including self-confidence, personal discipline, responsibility, teamwork, self-esteem and sportsmanship. Our goal is to have these attributes carry over into the youths' daily lives. The program also promotes the safe and ethical use of firearms. It is our belief that firearm education reduces gun accidents.

For more information, please contact one of the following 4-H volunteers:

R.L Harris	Home 434-352-2467 Cell 434-660-5020
