

2014 Block and Bridle Livestock Judging Contest

Class – Breeding Gilts

No.	NBA	21-Day Litter Wt.	Days to 250	LEA	SPI
1	2.1	+1.5	-0.5	+0.1	102
2	2.2	+3.6	-4.2	+3.0	111
3	2.5	+3.9	-4.6	+2.9	113
4	1.7	+1.2	0.0	+2.8	101
Avg.	1.4	1.5	.4	+1.7	100

Select these gilts as replacements for a commercial operation. The top 10% will be kept as replacements. All other progeny will be fed out on the feeding floor. Owners are paid on a lean grid system. These hogs will be raised in total confinement

Class – Angus Heifers

No.	CED	BW	WW	YW	Milk	\$ Beef
1	12	-1.2	45	89	25	\$88
2	12	3.6	60	100	15	\$99
3	10	0.3	55	95	28	\$96
4	8	1.8	57	98	26	\$97
Avg.	5	1.8	46	82	24	\$69

Select these heifers as replacements in a purebred Angus operation in Southside Virginia. The primary income is from the sale of bulls to commercial producers who emphasize structural correctness and muscling, without sacrificing calving ease. Feed resources are adequate.
