THE CONTEST - There will be 8 classes in the contest, including cattle, swine, sheep, and meat goats. Seniors will give 4 sets of reasons. Juniors will give 2 sets of reasons. Production scenarios and performance data will be provided on some breeding classes. A set of 10 questions will be asked on 2 classes, each question will be worth 3 points. Questions will be asked after the judging of all classes. Contestants will be given opportunity to study their notes for 5 minutes before each set of questions are asked. However, the class will not be visible, nor may contestants allowed to use their notes to answer questions. Meat goats could be used for either a reasons class or questions class. All classes are potential reasons classes for both juniors and seniors. Contestants will not answer questions and give reasons on the same class. See the website for data sheets and questions used in past contests.

CONTEST FORMAT - The State 4-H contest will once again be held in conjunction with the second day of the State FFA contest. Contestants may participate in both contests. To do so, they must be registered separately in the FFA and 4-H contests. Reasons for both contests will be combined. Senior 4-H and all FFA contestants who participate in the second day of that contest will give 4 sets of reasons and the score for each reasons set will be recorded in the official scoring calculation for both contests.

All contestants in both the 4-H and FFA contest will use a Scantron form. A PDF of this form can be found at the youth livestock webpage. All contestants will be asked to bring a clipboard and No. 2 pencils. ***The Scantron form cannot be folded, so please make sure contestants bring a clipboard and only No. 2 pencils are used!***
