3. The Junior Beef Roundup is open to all Virginia 4-H and Virginia FFA youth which meet one of the following eligibility criteria:
 - a. Exhibitors must be at least 9 years of age by September 30, 2019;
 - b. Exhibitors must not have had their 19th birthday by January 1, 2019;
 - c. If an exhibitor is older than 19, the exhibitor must be in good standing with their respective breed organizations (*registered cattle only*) and are only eligible to show that respective breed and participate in showmanship.
 - d. Exhibitors showing non-registered steers or commercial heifers must follow the 4-H age guidelines listed above.
4. Each animal entry must be owned and entered in a single name (no joint/farm registrations).
5. Exhibitors must show their own entries unless the exhibitor has more than one animal in the same class, or permission is given by the show superintendent. Substitute show persons must be eligible 4-H or FFA member with Junior Beef Roundup entries.
6. All entries must be halter broken and manageable by the exhibitor. Any animal that the show committee considers to be a hazard to exhibitors, spectators, or others will be excused from the show and will be ineligible for class placement.
7. All animals are subject to be used for educational purposes (stockmen's contest, judging classes, etc.) upon request by show staff/superintendents. Upon entry, exhibitors agree to providing animals for these purposes upon request.
8. **No cattle, equipment or set up will be allowed in the barns on Thursday!** All cattle must remain in the tie outs until Friday morning. There will be NO check-in for junior cattle on Thursday night. **All youth cattle will check-in on Friday morning, August 19th between 8:00 am and 11:30 am.**
9. Stalling will be pre-assigned. Please check-in prior to unloading cattle and equipment.
10. All cattle must remain in the designated stalling area and immediate area around the barns upon arrival until released from the Junior Beef Roundup. Except during designated tie-out times, cattle are not allowed to be taken to trailers or other areas away from the cattle barns at any time.

2019 Virginia Beef Expo Junior Beef Roundup

11. No butt fans allowed in the barns.
12. Blocking chutes will be allowed in designated areas of the barns **ONLY**.
13. Exhibitors are expected to care for their animals in an acceptable manner and adhere to quality assurance guidelines.
14. Fitting of all cattle is allowed, with the exception of showmanship which is a clean, dry show. The Junior Beef Roundup reserves the right to disqualify any animal that has been fitted in an unethical manner. Unethical fitting shall include (but not limited to) the following:
 - a. Use of paints, paint products and/or colored adhesives.
 - b. The addition of any hair or hair like substances (including twine), including false tail heads and false polls.
 - c. The cutting, tearing or gluing of the hide or underneath the hide or removal of tissue in an attempt to alter the shape of the animal.
 - d. The injection of any gas, solid or liquid under the hide to alter the normal conformation.
 - e. Any product/solutions/liquids administered internally or externally to alter the conformation of the animal is prohibited. This includes the use of steroids, growth promotants, and the act of artificially filling animals internally, which would include stomach pumping, drench tubes, or any other method.
 - f. Aerosol cans used for grooming are not permitted in show ring or make-up areas.

EXCEPTIONS: In the case of severely sick or severely dehydrated animals, the exhibitor may have fluids or electrolytes administered by the licensed official show veterinarian with the approval of the show superintendent. This exception is not applicable on show day or weigh-in/check-in day.
15. The National Show Ring Code of Ethics shall govern the Junior Beef Roundup. The National Show Ring Code of Ethics is listed on the last page of the Rules.

HEALTH REQUIREMENTS:

All animals entered in the show must meet the following requirements:

1. Be officially identified with an **“840” RFID button issued by a state or federal animal health program or a metal ear tag (a bangs vaccination or silver metal tag)** and entered on a Certificate of Veterinary Inspection (CVI – aka “Health Papers”) issued by an accredited veterinarian within 30 days of the show.
2. CVI shall list each animal’s official identification number (see above), age, sex, breed, Brucellosis vaccination status, and any test results and dates of tests.
3. Animals **MUST** be free of infectious and contagious diseases, including **Ringworm, Warts, and Pinkeye.** Animals currently being treated for any of the listed conditions that are visibly responding to treatment must have a written statement to that effect added to the CVI by the issuing veterinarian.
4. The above CVI’s accompanying each animal will be inspected by VA Department of Agriculture & Consumer Services (VDACS) personnel at the arrival on the fairgrounds or at a time designated by the show superintendents. Failure to provide proper documentation &/or identification for animals may result in disqualification of entries. Any animal without a CVI will not be eligible to show. Any animal with a CVI, but without proper identification will be required to be tagged on-site. If the owner refuses to allow the animal to be tagged, then that animal will be ineligible to show. All decisions of the show superintendents are final.

2019 Virginia Beef Expo Junior Beef Roundup

IAFE (International Association of Fairs and Expositions) **CODE OF SHOW RING ETHICS** *shall govern Junior Beef Roundup:*

Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the "IAFE Code of Show Ring Ethics," fairs and livestock shows may have rules and regulations which they impose on the local, county, state, provincial and national levels.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

1. All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership, and age of all animals entered. Misrepresentation of ownership, age, or any facts relating thereto is prohibited.
2. Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.
3. Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
4. Animals shall be presented to show events where they will enter the food chain free of violative drug residues. The act of entering an animal in a livestock show is the giving of, consent by the owner, exhibitor, fitter, trainer and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animal's performance or appearance at the event.
 - a. If the laboratory report on the analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the laboratory, to which it is sent, is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise.

2019 Virginia Beef Expo Junior Beef Roundup

- b. At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian.
5. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, confirmation, or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
6. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.
7. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.
8. No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.
9. The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.
10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have disciplinary action taken by the fair or livestock show for violation of this Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including Fairs and Expos and any special notices to members.
11. The act of entering of an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read the IAFE Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal, state, or provincial statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.
