

DATE: June 23, 2023

TO: Potential Youth Livestock Exhibitors at 2023 State Fair of Virginia

FROM: Katherine E. Carter, Extension Youth Animal Science Program Associate

Plans are taking shape for the State Youth Livestock Shows at the 2023 State Fair of Virginia in Doswell this fall and we hope that you will plan to join us! This letter contains important information and updates on fair rules and policies, as well as details of the nomination schedule for market lambs/commercial ewes, market goats/commercial does, market beef/commercial heifers, and swine. Please read all of the information carefully and share with any new exhibitors, particularly those in your club or county. All information pertaining to the fair can be found on the Youth Livestock web site at <https://ext.vt.edu/youthlivestock> under the State Fair tab on the homepage.

Important Information for 2023

- 1) Dates - All beef, sheep, swine and meat goats will show September 28 - October 1, 2023; the second weekend of the State Fair. The tentative schedule for this year's State Fair is included in this packet of information.
- 2) Nomination of Animals - **All nominations will be done using an online, self-nomination process with animal pictures, and DNA collection/submission.**

Step 1: This can be done immediately - Order your DNA envelopes and Tags (Tags for Cattle and Hogs ONLY, if needed) using this link: <https://tinyurl.com/2023-SFVA-DNA-and-Tag-Order>

 - Please order all of your DNA envelopes and Tags (if needed) at one time.
 - Families can order for multiple siblings with one submission.
 - All orders need to be submitted using the link above no later than Friday, July 21st to allow ample time for receipt of supplies and return by the July 31st Nomination Deadline.

Step 2: Directions for uploading your nomination information and returning your DNA envelopes will be included in the packet with your envelopes and tags (if ordered) This information should be read carefully to help alleviate mistakes in the nomination process.

 - **NEW FOR 2023 – The option for DNA Packet in person pick-up is available. Please review the options on the DNA Order Form and choose one of the three pick-up dates/locations or that you want/need your packet mailed to you.**
- 3) Which animals require nomination, tagging, and DNA submission?
 - Beef: Market Steers, Market Heifers, Commercial/Crossbred Heifers
 - Meat Goats: Market Goats and Commercial Does
 - Sheep: Market Lambs and Commercial Ewes
 - Swine: Commercial Gilts and ALL Market Hogs

***PLEASE NOTE: Purebred, registered breeding gilts, **showing as such**, do not need to be nominated; however, if there are any issues with the tattoo, ear notch, or registration papers of a Registered Gilt, she may not show as a commercial gilt if she was not Nominated.
- 4) Nomination is **NOT** required for the following:
 - Registered Breeding Females of ALL Species (Beef, Meat Goats, Sheep, and Swine) that plan to enter and show as a Registered Breeding Female.
 - ***PLEASE NOTE: If any of these females are deemed ineligible due to problems/inaccuracies with registration papers, tattoos, or ear notches (Gilts), they are NOT eligible to transfer to the commercial division of their species.
 - Prospect Steers and Prospect Heifers

***PLEASE NOTE: Prospect Steers and Prospect Heifers MUST weigh less than 1000 pounds at the State Fair Weigh-In and Check-in to qualify as a prospect. If they weigh 1000 pounds or more, they are ineligible to show as a Prospect and ineligible to transition to the Market Beef or Commercial Heifer Divisions since they were not nominated.

- 5) DNA Collection/Submission – All nominated animals must have DNA (hair follicle samples) submitted at the time of nomination. DNA envelopes and any cattle or hog EID tags must be ordered using the link above. **DNA and NOMINATION SUBMISSION DEADLINE IS July 31st, 2023.**
- 6) Tagging – You will use the following tags as Official Identification for your nominated animals:
- **Sheep and Goats:** Federally Required Scrapie Tag (needs to be a plastic visual tag, not the small metal tags, from the Flock or Herd of origin)
 - **Hogs:** Any USDA-compliant “840” EID Tag (these can be ordered with your DNA envelopes, if needed) Animals should only have ONE EID Tag
 - **Cattle:** Any USDA-compliant “840” EID Tag (these can be ordered with your DNA envelopes, if needed) Animals should only have ONE EID Tag

Please order DNA Envelopes and any needed tags no later than Friday, July 21st to allow ample time to receive items and return them by the July 31st deadline. One final shipment will be mailed, Monday, July 24th.

- **NEW FOR 2023 – The option for DNA Packet in person pick-up is available. Please review those options on the DNA Order Form and choose one of the three pick-up dates/locations or that you want/need your packet mailed to you.**

Nomination Deadline is July 31st at 5:00 PM. The system will automatically close at 5:00 pm EST. **In addition to being uploaded into the online portal, all nomination forms and DNA samples must be mailed and postmarked by July 31st to:**

Katherine Carter
175 West Campus Dr
380 Litton Reaves Hall
Blacksburg, VA 24061.

****Please remember that nomination does not constitute entry. Nominated animals must also be entered using the FairEntry system that will go live for 2023 State Fair of VA on July 10th.**

- 7) Show Rules/Policy Updates (please see Rules posted online for complete details):
- **Schedule-** see attached schedule for the 2023 SFVA Youth Livestock Events Weekend.
 - **New for 2023 –** Registered Market Beef (Steer and Heifers) have been added. Please read the Beef Rules for details and requirements.
- 8) Entries: All entries for State Fair must be submitted online utilizing the FairEntry system. **The online entry system will open July 10th, 2023** and will be available at <https://ext.vt.edu/youthlivestock> or at Fairentry.com All beef, sheep, swine and meat goats will be required to be entered by August 21st.
- 9) Complete details of the show schedules, judges, policies and rules for each species will be posted at the youth livestock homepage (<https://ext.vt.edu/youthlivestock>). Please check this site regularly for important changes and updates!

Thank you for your patience as we continue to get everything updated and made available.
