The State Fair of Virginia reserves the right to test any entry for volatile drug residues as described in the National Show Ring Code of Ethics.
2. **Participants must enter the FairEntry System through the Youth Livestock Web Site at <https://ext.vt.edu/4h-youth/youth-livestock/shows/state-fair.html> under “Exhibitor Entry Information” or use the direct FairEntry link <http://sfva-youth-livestock.fairentry.com/>. The entry system will open on Monday, July 10th. Entries must be made online, printed, and mailed with entry fee payment by Monday, August 21st at 5:00 pm. For more information about YQCA or to be YQCA certified please visit the YQCA section of the Virginia Youth Livestock Website <https://ext.vt.edu/4h-youth/youth-livestock/yqca.html>. Available trainings can be located at this link under the “Training Schedule” Tab.
5. Swine which have participated in any sale or premium auction associated with another fair or livestock show after completing the State Fair of Virginia online nomination process are ineligible for exhibition. This rule applies even if there was not a change in ownership (i.e. swine are ineligible even if they are “bought back” or “no-saled”).
6. Exhibitors must show their own entries unless the exhibitor has more than one animal in the same class, or permission is given by the show superintendent. Substitute show persons must be eligible 4-H or FFA member with 2023 SFVA Youth Livestock entries on-site and checked-in for any species.
7. All youth beef, sheep, goat and swine entries are subject to on-farm inspections to verify entry information. All exhibitors agree to accommodate such inspections by submitting entries and nominations.

2023 State Fair of Virginia Junior Swine Show

SHOWMANSHIP

1. Only exhibitors entered with youth swine entries checked in and present at the show are eligible for Junior Swine Division showmanship classes.
2. Showmanship competition for market hog and breeding gilt exhibitors will be combined. There will not be separate showmanship divisions for market and breeding.
3. Showmanship classes will be divided by age as follows:
 - a. Novice Division- for exhibitors showing for the first time at the State Fair, and who are 12 years of age or younger on September 30, 2023
 - b. Junior Division- exhibitors 12 years of age and younger on September 30, 2023
 - c. Intermediate Division- exhibitors 13 to 15 years of age on September 30, 2023
 - d. Senior Division- exhibitors 16 years of age and older on September 30, 2023
4. Classes with a large number of participants may be divided into smaller preliminary classes.
5. All exhibitors with entries in the Junior Swine Show(s) will automatically be entered in the appropriate showmanship and Skillathon division based on Date of Birth. There will not be a Showmanship or Skillathon Division in the entry system, as all exhibitors will be automatically entered. While neither participation in showmanship or Skillathon are mandatory, they are required for consideration of the Premier Exhibitor awards. It will be the responsibility of the exhibitor to scratch from these competitions by the designated time.
6. **Exhibitors must show their own animal in showmanship.** The animal must be entered in the junior swine show. Exhibitor's animals that are eliminated from the show due to weight requirements may be used in showmanship.
7. **Showmanship animals will be shown clean, dry, and unfitted (no glues or adhesives allowed).**

MARKET HOGS & BREEDING GILTS

To be eligible for exhibition, **ALL Market Hog and Commercial Breeding Gilt entries must have been nominated using the OFFICIAL STATE FAIR OF VA ONLINE NOMINATION PROCESS, INCLUDING DNA SUBMISSION. It is the responsibility of the exhibitor to properly nominate his or her hogs NO LATER THAN JULY 31, 2023.** At the time of nomination all market hogs and commercial breeding gilts will be individually identified with an official USDA-compliant "840" EID tag. Only hogs that have been nominated and properly identified will be eligible to show in the Market Hog or Commercial Breeding Gilt competition at the State Fair of Virginia. Exhibitors may nominate up to a total of 12 hogs total (market barrows, market gilts, and/or commercial breeding gilts). Each animal may be nominated in the name of ONE exhibitor only. **NOTE: Purebred breeding gilts are not required to be nominated, however, without being nominated they are ineligible for market hog or commercial breeding classes should situation dictate they cannot show as purebred gilts (ie. issue with registration, tattoo, ear notch etc..).**

*****NOMINATION = OWNERSHIP. Once an animal has been nominated it may not be shown in/under the name of any other exhibitor between the date of nomination submission and the conclusion of the State Fair of Virginia Youth Livestock Shows. The ONLY EXCEPTION is that a Cloverbud/Pee Wee youth may use that animal in a SHOWMANSHIP CLASS at another event, if that event's rules allow such. However, any change in the owner/exhibitor name in any other circumstance will constitute a change in ownership and that animal will no longer be eligible to be shown at the State Fair of VA Youth Livestock Shows.**

DNA Envelopes and RFID/EID Tags (if needed) must be ordered using this link: <https://tinyurl.com/2023-SFVA-DNA-and-Tag-Order>
