Turkey Lentil Chili

Ingredients:
- 1/2 pound ground turkey
- 1 small onion
- 2 cups lentils, cooked, drained
- 28 ounces low sodium tomatoes, canned
- 1/4 teaspoon garlic powder
- 1 tablespoon chili powder
- 1/2 teaspoon ground cumin

Equipment:
- Non stick skillet
- Cutting board
- Knife
- Spatula
- Measuring cups
- Measuring spoons
- Can opener

Number of Servings: 6
Prep Time: 15 minutes
Total Time: 1 hour & 15 minutes

Directions

1. Heat non stick skillet to medium. Spray with cooking spray.
2. Place ground turkey in skillet and use a spatula to break turkey into small pieces as it browns. Keep on stirring and breaking into small pieces until it is no longer pink. Once it is done, put browned turkey on a plate covered with several layers of paper towels to absorb fat. Drain fat from skillet and return to stove.
3. Cut the ends off of the onion, and peel off the brown layers. Run under water to remove any dirt. Cut the onion in half lengthwise, and place the flat side on the cutting board. Slice across the onion, from one side to the other, then lay the slices on their side, and slice from the widest side to the smallest, across the onion. Chop up any large pieces. Add to skillet.
4. When onions are tender, add turkey, garlic powder, lentils, tomatoes, chili powder, and cumin. Cook for about 1 hour until flavors are blended.
5. Serve hot, topped with your favorite chili toppings.
