Curried Potatoes

Ingredients:
- 4 potatoes
- 1 tablespoon margarine
- 1 small onion
- 3/4 cup low sodium chicken broth
- 1/2 tablespoon curry powder
- 1/2 tablespoon lemon juice

Directions
1. Wash potatoes and cut in half lengthwise, and lay flat on cutting board. Cut in half lengthwise, again. Cut into cubes about the same size.
2. Put potato cubes in saucepan and cover with cool water. Put on stove and turn on high to bring to a boil. Once boiling, cover and turn to low and cook for 20 minutes. Potatoes are done when soft when stuck with a fork.
3. Meanwhile, melt margarine over medium heat in large nonstick skillet.
4. Cut the ends off of the onion, and peel off the brown layers. Cut the onion in half lengthwise, and place the flat side on the cutting board. Slice onion in thin strips keeping together. Turn 1/4 and slice again to make dice. Chop up any large pieces. Add to skillet. Cook until tender.
5. When potatoes are done, drain and add to skillet.
6. Add broth, curry powder and lemon juice to pan and cook until broth has disappeared.
7. Can serve warm or cold.
